No Key Photo provided

This project was a proposal for a project that was presented to the Bear River Basin Advisory Group but was never funded.

Key Accomplishments

Project Themes

- Water

Location

Expenditures

No expenditures provided

Photos

No additional photos provided

Tracker tells stories at a broad-brush level. Individual project performance measures and expenditures should not be relied upon for complete and total accuracy and should be confirmed with a project's lead implementer. Project locations subject to confidentiality provisions under state and federal law specify the location of a local conservation district or USDA service center office.
